Notification under the Electronic Communications Code Regulations 2003 (as amended) to utilise permitted development rights.

Dear Sirs,

As part of EE Limited ("EE")'s on-going commitment of keeping Local Planning Authorities informed of electronic communications development in their area, we can now provide details of our intention to upgrade our existing telecommunications installation at **Thomas Hardy House, Commerce Road, Wood Green North, London, N22 8EF.**

In accordance with Regulation 5 of the Electronic Communications Code (Conditions and Restrictions) Regulations 2003 (as amended) this letter provides formal notification in writing of one calendar month notice in advance, of our intention to install electronic communications. No fee is required for the notification.

EE intend to utilise their permitted development rights as identified in Part 16 of Schedule 2 of the Town and Country Planning (General Permitted Development) Order 1995, as amended by the Town and Country Planning (General Permitted Development) Order 2015 (As Amended). The proposals contained herein constitute permitted development under Class A (a) of Part 16.

For the avoidance of doubt this letter does not constitute:

- An application for a determination as to whether the prior approval of the authority will be required for the siting and appearance; or
- An application for planning permission

The proposed work comprises: –

The installation of of a new 0.3 DIA m temporary transmission dish at 28.00m utilising the existing steelwork.

It will be located as marked on the attached location plan at:
