

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4,
Alexandra House, Station
Road N22 7TY

Application number	HGY/2023/2510
Application type	Conservation Area Notification
Site Address:	17 Western Road, Hornsey, London, N2 9JB
Proposal	I have an old hawthorn tree on the front boundary of my house at 17 Western Road. It has been in decline since before we bought the house in 2021 and I have tried to rejuvenate it but it has barely sprouted leaves this year and I would like to have it removed to make way for a new specimen. I am in the process of re-greening the whole front garden and intend to replace the dying tree with hazel/dog rose/ holly or some such native species. I will plant a new hawthorn in another part of the front garden as well.

RECOMMENDATION:	No Objection	
Application date	20/09/2023	
Tree Inspector	DM	Date: 13 th October 2023

Site

The Hawthorn tree, as marked on the map and seen in the photographs, is situated in the front garden of the property. It is publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Fortis Green Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

I have an old hawthorn tree on the front boundary of my house at 17 Western Road. It has been in decline since before we bought the house in 2021 and I have tried to rejuvenate it but it has barely sprouted leaves this year and I would like to have it removed to make way for a new specimen. I am in the process of re-greening the whole front garden and intend to replace the dying tree with hazel/dog rose/ holly or some such native species. I will plant a new hawthorn in another part of the front garden as well.

Issues

I hold no objection to the removal of the poor specimen hawthorn.

Recommendation

No Objection

Informative: There is a duty under Section 213 of the Town and Country Planning Act 1990 (as amended) to plant replacement trees for the removal of trees, and also dead, dying or dangerous.
