Site

The trees as listed above and marked on the plan are situated in the rear and front garden of the property. They are publicly visible at the front.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Highgate Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

Laurel - Cut the entire tree to ground level

The tree is in an inappropriate location for the species. It has outgrown its position. The owners are looking to re-landscape.

2 x Limes - Remove trunk growth back to main trunk

Maintenance works in line with good Arboricultural practice.

Issues

I hold no objections to the proposed works.

The pruning to the Limes is standard practice.

The laurel has no public amenity value.

The residents intend to do some re landscaping.

Recommendation

No Objection
