Conditions: (11)

- 1** The development to which this permission relates must be begun no later than three years from the date of this decision notice, failing which the permission shall be of no effect.

Reason: This condition is imposed by virtue of Section 91 of the Town and Country Planning Act 1990 and to prevent the accumulation of unimplemented planning permissions.

- 2** The development hereby permitted shall be carried out in complete accordance with the approved plans and drawings listed in this decision notice, other than where those details are altered pursuant to the conditions of this planning permission.

Reason: For the avoidance of doubt and in the interests of proper planning.

- 3** Prior to their first use on site a schedule of all external finish materials including wall and roof materials, lintels, fascias, and rainwater goods, including finish colour, shall be submitted to and agreed in writing by the Local Planning Authority. Works shall be implemented in accordance with the approved materials and details specified and shall be permanently maintained as such. Samples should be submitted with a schedule of the exact product references.

Reason: In order for the Local Planning Authority to retain control over the exact materials to be used for the proposed development and to assess the suitability of the samples submitted in the interests of visual amenity consistent with Policy D3 of the London Plan 2021, Policy SP11 and SP12 of the Haringey Local Plan 2017 and Policy DM1 and DM9 of The Development Management DPD 2017.

- 4** The dwelling hereby approved shall be designed to meet Part M4 (2) 'accessible and adaptable dwellings' of the Building Regulations 2015 (formerly Lifetime Homes Standard) unless otherwise agreed in writing with the Local Planning Authority.

Reason: To ensure that the proposed development meets the Council's Standards in relation to the provision of accessible and adaptable dwellings.

- 5** Prior to the first occupation of the development hereby approved, planter boxes shall be installed along the perimeter of the first floor roof terrace. Thereafter, the development shall be carried out in accordance with the approved details and the screening shall be retained in perpetuity, unless

otherwise agreed in writing by the Local Planning Authority.

Reason: To avoid overlooking into the adjoining properties and to comply with Policy SP11 of the Haringey Local Plan (2017) and Policy DM1 of The Development Management DPD (2017).

- 6 Prior to their first occupation of the replacement dwelling hereby approved details of any new hard and soft landscaping and changes to boundary treatment shall be submitted to and agreed in writing by the Local Planning Authority. Works shall be implemented in accordance with the approved materials and details specified and shall be permanently maintained as such.

Reason: In order to provide a suitable setting for the proposed development in the interests of visual amenity consistent with Policy G7 of the London Plan 2021, Policy SP11 of the Haringey Local Plan 2017 and Policy DM1 of The Development Management DPD 2017.

- 7 No development shall take place, including any works of demolition, until a Method of Construction Statement, to include details of:
- a) parking and management of vehicles of site personnel, operatives and visitors
 - b) loading and unloading of plant and materials
 - c) storage of plant and materials
 - d) programme of works (including measures for traffic management)
 - e) provision of boundary hoarding behind any visibility zones
 - f) wheel washing facilities:
- have been submitted to and approved in writing by the Local Planning Authority. Only the approved details shall be implemented and retained during the demolition and construction period.

Reason: To ensure there are no adverse impacts on the free flow of traffic on local roads and to safeguard the amenities of the area consistent with Policies T4, T7 and D14 of the London Plan 2021, Policies SP0 of the Haringey Local Plan 2017 and with Policy DM1 of The Development Management DPD 2017.

- 8 The basement works hereby approved shall not commence until such time as a suitably qualified chartered engineer with membership of the appropriate professional body has been appointed to inspect, approve and monitor the critical elements of both permanent and temporary basement construction works throughout their duration to ensure compliance with the design which has been checked and approved by a building control body. Details of the appointment and the appointee's responsibilities shall be submitted to and approved in writing by the Council prior to the commencement of development. Any subsequent change or reappointment

shall be confirmed forthwith and retained for the duration of the construction works.

Reason: To safeguard the appearance and structural stability of neighbouring buildings and the character of the immediate area in accordance with the requirements of policy.

- 9** The energy efficiency measures/features and renewable energy technology (air source heat pump and photovoltaic panels), which provide for no less than 70% on-site regulated CO2 reduction as detailed within the 'Energy Statement for Planning' shall be installed and operational prior to the first occupation of the development. Should, following further assessment, the approved renewable energy option be found to be no-longer suitable: a) a revised scheme of renewable energy provision, which shall provide for no less than 70% onsite regulated CO2 reduction, shall be submitted to and approved in writing by the Local Planning Authority prior to any superstructure works commencing on site. The final agreed scheme shall be installed and operational prior to the first occupation of the development and shall be maintained as such thereafter.

Reason: To comply with Local Plan Policy SP4 and in the interest of adapting to climate change and to secure sustainable development.

- 10** Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (and any order revoking and re-enacting the order) no extensions shall be built and no new window or door openings inserted into any elevation of the buildings (other than that development expressly authorised by this planning permission), unless otherwise agreed in writing by the Local Planning Authority.

Reason: To safeguard the amenities of neighbouring occupiers and the general locality.

- 11** Notwithstanding the plans hereby approved, the first-floor side windows on the elevation facing Nos 25 & 27a shall be obscured glazed to level 3 or higher on the Pilkington scale of privacy or equivalent up to a minimum height of 1.7m above the internal floor level of the room in which it is installed. This specification shall be complied with before development is occupied and thereafter be retained for the lifetime of the development unless otherwise agreed in writing by the local planning authority.

Reason: To safeguard against overlooking and loss of privacy in the interests of amenity of neighbouring occupiers and to comply with Policy SP11 of the Haringey Local Plan 2017 and Policy DM1 of The Development Management DPD 2017.

Informatives:

INFORMATIVE: Hours of Construction Work

The applicant is advised that under the Control of Pollution Act 1974, construction work which will be audible at the site boundary will be restricted to the following hours:-

8.00am - 6.00pm Monday to Friday

8.00am - 1.00pm Saturday

and not at all on Sundays and Bank Holidays.

INFORMATIVE: Party Wall Act

The applicant's attention is drawn to the Party Wall Act 1996 which sets out requirements for notice to be given to relevant adjoining owners of intended works on a shared wall, on a boundary or if excavations are to be carried out near a neighbouring building.

INFORMATIVE: Land Ownership

The applicant is advised that this planning permission does not convey the right to enter onto or build on land not within his ownership.

INFORMATIVE : Community Infrastructure Levy

The applicant is advised that the proposed development will be liable for the Mayor of London and Haringey CIL. Based on the information given on the plans, the Mayoral CIL charge will be £28,272 (438sqm x £64.55) and the Haringey CIL charge will be £172,405.56 (438sqm x £393.62). This will be collected by Haringey after/should the scheme is/be implemented and could be subject to surcharges for failure to assume liability, for failure to submit a commencement notice and/or for late payment, and subject to indexation in line with the construction costs index.

Note: The CIL rates published by the Mayor and Haringey in their respective Charging Schedules have been inflated in accordance with the CIL regulations by the inflation factor within the table below.
