Site

The Willow tree T15 is situated in the rear garden of the property. It is not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The tree is protected by a Tree Preservation Order (TPO)

Proposal

Tree works proposed.

Willow T15 - remove dead stem and pollard remaining crown at approximately 6m in height.

Plant 1no. heavy standard Quercus robur to replace erroneously felled T20 in suitable location along southern boundary. T20's stump is regrowing so consideration will be given to the future growth of both trees.

Issues

I hold no objection to the above proposed works that are within good arboricultural practice and husbandry.

The agent has clarified the erroneous felling of T20 willow and the replacement tree is stated above,

Recommendation

No Objection

Conditions: Plant 1no. heavy standard (12-14cm girth) Quercus robur to replace erroneously felled T20 in suitable location along southern boundary. T20's stump is regrowing so consideration will be given to the future growth of both trees.
