1.0 Introduction

1.1 Project Introduction

Application Site
43 Langdon Park Road

The following document is a Householder Planning Application for the replacement of the existing single-storey rear extension at 43 Langdon Park Road, London, N6 5PT, with a new, full-width, single-storey rear extension, in order to facilitate improvements to the internal layout of the dwellinghouse and connection with the rear garden.

This application comprises the following:

- Site, Context, Relevant Planning Background
- Existing drawings outlining the current layout
- Proposed drawings and visuals outlining proposed extension
- Design and Access Statement.
