NOTES

- Do not scale off these drawings except for planning purposes.
- Dimensions govern.
- All dimensions are given in millimetres (mm) unless otherwise noted.
- All dimensions shall be verified on site before proceeding with the work contractor before construction and fabrication commences.
- Workmanship and materials to be accordance with the relevant current British Standard Codes of Practice and the Local Authorities requirements.
- During construction the contractor shall be responsible for maintaining the structure in a stable condition.
- These drawings are to be read in conjunction with all other contract documentation and other consultants documentation.
- If in doubt, ask!
