Subject: FW: 5 Day DDD 23 Wolseley Road England N8 8RR

Good morning

Can you please register this 5 day notice request.

Based on the condition of the tree and its location, I have no objection to the works.

Regards

To whom it may concern,

Please accept this as notice and be advised that we will be removing a holly tree that has failed in the wind and is now overhanging a public footpath and parking area at the property of 23 Wolseley Road England N8 8RR

Please accept this as your five day notice. This tree will be removed on the 30th if not sooner as the tree is leaning over a public footpath & a main road.

I have attached a number of pictures for your information and records.

The tree is situated in the property of 23 Wolseley Road England N8 8RR, it has unfortunately failed in the winds and is now leaning over a public walk way and a main road, if allowing this tree to be left it will soon fail onto member of public or a parked car.

This tree in my professional opinion is a dangerous standing structure and must be removed.

Our client will be replacing the tree to your instruction.

We look forward to hearing back from you soon.

Kind regards,
