NOTES

Verify all dimensions on site before commencing any work or preparing any shop drawings.

All building materials, components and workmanship to comply with the appropriate Public Health Acts, Building Regulations, British & European Standards and Codes of Practice and to the appropriate manufacturers recommendations.

For all specialist work see relevant drawings.

All schemes to be checked prior to the commencement of any works.

Drawings to be checked against Land Registry plans and any necessary Easements to be established.

Any discrepancies, errors or omissions to be reported to the architect for further instructions before commencement of works.
