

Objection by Alison Azulay to planning application Case Ref: HGY/2026/0204, location: 37 Clyde Rd N22 7AD. Please find attached four photos to accompany our objection submitted yesterday on the portal and by email.

The photos below show that the proposed development (raising the wall and proposed terrace) would increase the shadow cast on and impact privacy at no. 39 as set out in our objection. As shown in the photos taken from the loft at no. 39, the wall at the side of no. 37 is in fact higher than the drawing (submitted by email yesterday) suggests.
