

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4,
Alexandra House, Station
Road N22 7TY

Application number	HGY/2026/0153
Application type	Conservation Area Notification
Site Address:	41 Leaside Avenue Hornsey London N10 3BT
Proposal	T1 Sycamore sited in back corner of garden overhanging 4 properties, tree will be reduced by a good 4 metres into a high pollard frame work, tree has been compressed with the ivy and has die back in the crown, this pollard frame works will be at a height of 6 metres, ivy is going to be reduced down to 2.5 metres high to keep wildlife environment but remove pressure from the crown of the tree

RECOMMENDATION:	No Objection	
Application date	19/01/2026	
Tree Inspector	DM	Date: 4 th March 2026

Site

The mature Sycamore tree T1, as seen in the photographs, and marked on the plan, is situated in the rear garden of the property. It is not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Fortis Green Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

T1 Sycamore sited in back corner of garden overhanging 4 properties, tree will be reduced by a good 4 metres into a high pollard frame work, tree has been compressed with the ivy and has die back in the crown, this pollard frame works will be at a height of 6 metres, ivy is going to be reduced down to 2.5 metres high to keep wildlife environment but remove pressure from the crown of the tree

Issues

I hold no objections to the reasonable proposed pruning works.

The 4m reduction is from the very tips of the tree's height. Due to the ivy the tree has grown a leggy form.

The specification is within standard good arboricultural practice and husbandry.

Recommendation

No Objection
