The mature Oak T1 tree, as marked on the plan and seen on street view, is situated in the rear garden of the property. It is publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Fortis Green Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

Issues

I hold no objections to the proposed reasonable pruning works.

The specification is within standard good arboricultural practice and husbandry.
