

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4,
Alexandra House, Station
Road N22 7TY

Application number	HGY/2026/0319
Application type	Conservation Area Notification
Site Address:	14 Sheldon Avenue Hornsey London N6 4JT
Proposal	Weeping Ash tree with cavity and decay at base of trunk- Cut to ground level

RECOMMENDATION:	No Objection	
Application date	05/02/2026	
Tree Inspector	DM	Date: 5 th March 2026

Site

The mature Weeping Ash tree, as marked on the sketch plan, and seen in the photographs, is situated in the rear garden of the property. It is not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Highgate Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

Weeping Ash tree with cavity and decay at base of trunk- Cut to ground level

Issues

I hold no objection to the removal of the weeping Ash tree. The species and cultivar are short lived.

The main trunk, at the base, has extensive decay when sound tested and probed.

There is a duty to re plant dead, dying, and dangerous trees within a Conservation Area.

The applicant intends to replant with a suitable species.

Recommendation

No Objection
