

Sarah Madondo

Subject:

FW: HGY/2026/0492 - 74B, Myddleton Road, Wood Green, London, N22 8NQ

Transport comments:

- a. Please request details / plans that illustrates where the proposed cycle storage provision will be located including corresponding provision for access. It would also be helpful for the plans to show provision for refuse storage.
- b. It should be noted that cycle storage requiring access via living space is not generally considered acceptable. Also vertical cycle storage is not suitable for all users, particularly for elderly people and people with disabilities.
