Application number	HGY/2026/0441
Application type	Conservation Area Notification
Site Address:	37 White Hart Lane, Wood Green, London, N22 5SL
Proposal	T1 and T2 bay trees remove to ground level. Growing on boundary and creating excessive shade for all space. Client would like to plant something more appropriate in a better spot in the garden

RECOMMENDATION:	No Objection	
Application date	18/03/2026	
Tree Inspector	DM	Date: 11 th March 2026

Site

The mature Bay trees T1 & T2, as seen in the photographs, and marked on the plan, are situated in the rear garden of the property. They are not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Woodside Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

T1 and T2 bay trees remove to ground level.

Growing on boundary and creating excessive shade for all space.

Client would like to plant something more appropriate in a better spot in the garden

Issues

I hold no objections to the removal of the two bay trees.

Both trees are dominating the rear garden, are not worthy of further protection, have no wider amenity value, and will allow for more suitable species to be planted.

Recommendation

No Objection
