Site

The Holly tree T1, as marked on the plan, and seen in the photograph, is situated in the rear garden of the property. It is not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Crouch End Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

Holly (T1)- fell.

Reason: To allow the rear of 121 Crouch Hill garden to be usable

Issues

I hold no objections to the proposed removal of the understorey Holly as the tree is not worthy of any further protection.

Recommendation

No Objection
