

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4,
Alexandra House, Station
Road N22 7TY

Application number	HGY/2026/0311
Application type	Conservation Area Notification
Site Address:	Acorn Terrace Archway Road Hornsey London N6 4BF
Proposal	T1 sycamore remove 1/3 of tree that has died and reduce living part by 1m to balance new canopy. T2 oak reduce large lateral branch over car park by 2m to reduce weight T3-4 self seeded sycamore over bin area reduce canopy of both by 1m

RECOMMENDATION:	No Objection	
Application date	05/02/2026	
Tree Inspector	DM	Date: 18 th March 2026

Site

The various trees as listed above, seen in the photographs, and marked on the plan, are situated in the rear garden of the property. They are publicly visible from Muswell Hill Road.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Highgate Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

T1 sycamore remove 1/3 of tree that has died and reduce living part by 1m to balance new canopy.

T2 oak reduce large lateral branch over car park by 2m to reduce weight

T3-4 self seeded sycamore over bin area reduce canopy of both by 1m

Issues

I hold no objections to the proposed reasonable pruning works.

The specification is within standard good arboricultural practice and husbandry.

The agent has confirmed the following 'I have identified the trees and marked them up with a pen.

We are looking to keep a tree that is in serious decline by taking out the dangerous dead section of the sycamore. And then reducing end loading of a very long oak branch that is susceptible to summer branch drop or wind issues due to its poor growth form.'

Recommendation

No Objection
