Informatives:

The Applicant is advised that condition 13 (NRMM) has been discharged in full (Phase 2A - below ground works and 2B -All above ground works) and no further application is required.

The Applicant is reminded that part (b) of condition 13 requires an inventory of all NRMM must be kept on site during the course of each Phase. All machinery should be regularly serviced and service logs kept on site for inspection. Records should be kept on site which details proof of emission limits for all equipment. This documentation should be made available to local authority officers as required until development completion.
