

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4,
Alexandra House, Station
Road N22 7TY

Application number	HGY/2026/0564
Application type	Conservation Area Notification
Site Address:	24 Coniston Road, Hornsey, London, N10 2BP
Proposal	We are in a conservation area, but have no protection orders on the trees I would like to cut back, crown reduce and reshape. You have previously approved the same work in 2014 and 2017. I want to undertake the work to prevent the dropping of sap in my garden. My address is 24 Coniston Road, N10 2BP. The trees are in the gardens of number 9 and 11 Curzon Road N10. The lime tree in the garden of 11 Curzon Road needs to have the crown reduced to the previous pruning level, reshape and have the branches overhanging the garden of 24 Coniston Road removed. It is number 1 on the sketch. It is in good condition. The owner of the tree 11 Curzon Road is supportive of this work. The 2 trees in 9 Curzon Road are Sycamores I believe and will simply have the branches overhanging my garden removed, and I have notified the owner of this work. They are numbers 2 and 3 on the sketch. The trees are in good condition

RECOMMENDATION:	No Objection	
Application date	02/03/2026	
Tree Inspector	DM	Date: 24 th March 2026

Site

The trees, as listed above, seen in the photographs, and marked on the plan, are situated in the rear gardens of the properties. They are not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Fortis Green Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Issues

I hold no objections to the reasonable proposed pruning works.

The specification is within good arboricultural practice and husbandry.

The applicant has corresponded with their neighbours.
