Site

The mature Oak tree T1, as marked on the plan, and seen on street view, is situated in the rear garden of the property. It is publicly visible mainly from Ringwood Avenue.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The tree is protected by a Tree Preservation Order (TPO)

Proposal

Tree works proposed.

T1) Mature Oak in rear garden: Overall crown reduction by up to 2 metres; all pruning cuts within previous reduction framework; remove any dead and defective branchwood

Issues

I hold no objections to the repeat proposed pruning to prune back to the most recent previous.

The specification is within standard good arboricultural practice and husbandry.

The species generally responds well from such reductions and management regimes.

Recommendation

No Objection
