Hi James

Unfortunately I don't know the species as the tree has no leaves.

It is located at the bottom of our garden.

At 67A Muswell Ave.

Good afternoon Debbie, I hope you're well.

Many thanks for your correspondence. Would you please be kind enough to specify the location of the tree within your property, and (if possible) its species, so that we can progress your Notice To Remove for you?

Thank you so much -

Kind Regards

James Argles
