

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4,
Alexandra House, Station
Road N22 7TY

Application number	HGY/2026/0850
Application type	Conservation Area Notification
Site Address:	21 Aylmer Road, Hornsey, London, N2 0BS
Proposal	13 x Leylandii - Cut entire trees as close to ground level as practically possible The trees are an unsuitable species for the location. They are lifting up the drive and gate

RECOMMENDATION:	No Objection	
Application date	25/03/2026	
Tree Inspector	DM	Date: 27 th April 2026

Site

The 13 Leylandii trees, as marked on the plan, and seen in the photographs, are situated in the front garden of the property. They are publicly visible.

A site visit was deemed necessary to determine the appropriateness of the proposed works (23/04/2026 at approximately 12:34pm).

The location is also within the Highgate Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

13 x Leylandii - Cut entire trees as close to ground level as practically possible

The trees are an unsuitable species for the location. They are lifting up the drive and gate

Issues

I hold no objections to the removal of the 13 Leylandii trees.

The quick growing trees were originally planted to screen the red route road.

They have been planted too close to one another.

They have now become overgrown and unsuitable for their confined growing location.

They are causing direct damage to the wall and driveway.

The applicant intends to re plant with a more suitable species and to restore the screening.

Recommendation

No Objection
