Site

The Poplar tree, as seen in the photograph, is situated in the rear garden of the property. It is not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Crouch End Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

Five Day Notice to remove a dead Poplar tree at 38 Coolhurst Road under the relevant exemption. It is situated in the rear garden

Issues

I hold no objections for the removal of the Poplar tree and for the reasons given.

The tree is decayed at the very base and overhangs property.

There is a duty to re plant dead, dying, and dangerous trees within a Conservation Area.

The applicant intends to leave the cord wood stacked on ground level for conservation reasons.

Recommendation

No Objection
