Water Property Services -

29th April 2026

Dear Sirs

Further to your letter dated 6 March 2026 and a letter from Haringey Planning Service dated 31 March 2026 re external work to the above property. I enclose a letter from Homecastle - Son explaining the concerns I have with this work being carried out. As stated, I have mobility issues, but also have breathing problems which would be aggravated by the amount of dust the work would produce.

I have lived in this house for 93 years and all the various owners have kept it in good order.

As there doesn't appear to be any major defects maybe the finances could be useful elsewhere.

Yours sincerely

To whom it may concern

24 April 2026

Dear Sir/Madam,

Re: Janet Perkins, 54 Summerhill Road, London, N15 4HD

We are contacting you on behalf of our neighbour Ms. Perkins regarding your planning application – HGY/2026/0856.

Ms. Perkins is 93 years of age and has mobility issues; Ms. Perkins visited our offices and expressed concerns regarding the replacement of the coverings to her main roof and specifically the scaffolding which is to be placed in the garden area.

Ms. Perkins likes to sit in the garden area and also uses the outside WC due to her mobility issues which prevents her from using the upstairs WC. The scaffolding which is to be placed in the garden area will restrict the use of the garden area and will also make it very difficult for her to access the outside WC.

We have inspected the roof and there doesn't appear to be any major defects and we therefore ask that you consider carrying out the works as per your application at another time.

Yours sincerely,

K C. Horncastle
