Re: Acceptance of Appointment for Structural Engineering Services – 162 Gladesmore Road, London N15 6TH

Dear Mr Morris,

We are pleased to confirm our acceptance of appointment as Structural Engineers for 162 Gladesmore Road, London N15 6TH. We appreciate the opportunity to support the successful delivery of this project and look forward to working collaboratively with your team.

Our services will include structural design, calculations, drawings, technical advice, and coordination as required to meet the project's statutory and performance requirements. We will also supervise the construction works to ensure they are carried out in accordance with our designs and specifications, as required by the Condition 7 of the Planning Permission (ref. HGY/2024/1290).

To progress the commission and ensure we can commence work without delay, we kindly request the following documents and project information:

- Architectural Drawings (latest GA plans, elevations, sections);
- Ground Investigation Report or any available geotechnical data;
- Programme indicating key milestones and required deliverable dates.

Once received, we will review the information and confirm our proposed design programme and deliverables schedule. We look forward to supporting you throughout the project and delivering a robust, compliant, and efficient structural solution.

Yours sincerely,

Christos Papadakis, BEng (Hons) MSc CEng MICE
Director
