 Payment & Security

Keep your bicycles secure, organised, and protected with this durable bike storage shed, designed for practical everyday use in UK outdoor spaces. Spacious enough to hold up to three bikes, it offers reliable protection from rain, wind, and seasonal weather. The sleek vertical panel design adds a clean, modern look that blends effortlessly into any garden or driveway. A smart pent roof directs rainwater away, helping prevent build-up of snow and moisture while extending the lifespan of the structure. Featuring wide double doors and integrated bike rails, it ensures easy access while keeping your bikes neatly stored and stable. Ideal for families and cycling enthusiasts, this shed is a convenient and space-saving solution for outdoor bike storage.

Key Features

- **Heavy-Duty Metal Construction:** Strong steel frame ensures excellent stability and durability, ideal for secure outdoor bike storage in all UK weather.
- **Space-Saving Pent Roof Design:** Sloped roof allows placement against walls or fences, maximising garden or driveway space.
- **Lockable Double Door Security:** Fitted with a combination padlock, providing enhanced protection for bikes and outdoor equipment.
- **Integrated Bike Rail Storage:** Three built-in rails keep bicycles upright, organised, and easy to access for everyday use.

Notes

1. Please note that your order may arrive in multiple cartons with varying delivery times. 2. For large products, it is recommended that two or more people cooperate in the installation process. 3. For your safety, we recommend wearing gloves when assembling this product to avoid cuts from sharp parts or tools. 4. Please ensure children and individuals with limited mobility stay clear of the assembly area during

installation. 5. Despite efforts for accuracy, there may be some reasonable error due to manual measurement. 6. Actual product colours may vary due to monitor settings & lightings.
