Application type	Conservation Area Notification
Site Address:	Channing School, Highgate Hill, Hornsey, London, N6 5HF
Proposal	Works to trees protected by a Group TPO. G1: English Elm - Tree removal (see report)

RECOMMENDATION:	No Objection	
Application date	27/05/2026	
Tree Inspector	DM	Date: 27 th May 2026

Site

The young regenerated dead Elm trees G1, as marked on the map and seen in the photographs are situated on the boundary of the property. They indiscernibly publicly visible.

A site visit was deemed necessary to determine the appropriateness of the proposed works (07/05/2026 at approximately 12:26pm).

The trees are protected by a Tree Preservation Order (TPO)

Proposal

Tree works proposed.

Works to trees protected by a Group TPO.

G1: English Elm - Tree removal (see report)

Issues

I hold no objections to the removal of the young dead (exempt) Elm trees that pose a threat to the Highway.

There is no need for a condition to re plant as the Elms will perpetually regenerate from the root graphs.

These Elms have succumbed to Dutch Elm Disease.

Recommendation

No Objection
