

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4,
Alexandra House, Station
Road N22 7TY

Application number	HGY/2026/1311
Application type	Conservation Area Notification
Site Address:	19 Oldfield Mews, Hornsey, London, N6 5XA
Proposal	Tree location - rear garden Access - via rear pathway Revision B quote TG1 - Approx. H12.2 S4 20+DBH 5x Conifers Crown reduce the height by approx. 5.7m to leave at a standing height of approx. 6.5m. Selectively reduce lateral branches that encroach into no.19 by 0.5-1m. Reduce the lateral branches that encroach into the adjacent private garden (no. 52) by approx. 0.5-1m back towards the boundary line

RECOMMENDATION:	No Objection	
Application date		
Tree Inspector	DM	Date: rd 2026

Site

The five conifer trees (Leylandii), as marked on the plan, and seen in the past photographs, are situated in the rear garden of the property. They are not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Highgate Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree location - rear garden

Access - via rear pathway

Revision B quote

TG1 - Approx. H12.2 S4 20+DBH 5x Conifers

Crown reduce the height by approx. 5.7m to leave at a standing height of approx. 6.5m.

Selectively reduce lateral branches that encroach into no.19 by 0.5-1m.

Reduce the lateral branches that encroach into the adjacent private garden (no. 52) by approx. 0.5-1m back towards the boundary line

Issues

Tree works proposed.

I hold no objections to the reasonable proposed reduction works (as marked on the plan below).

The specification is within standard good arboricultural practice and husbandry.

The species generally responds well from such reductions

Recommendation

No Objection
