The mature Holm Oak tree, as seen in the photographs, is situated in the verge of the Highway adjacent to the property. It is publicly visible.

A site visit was deemed necessary to determine the appropriateness of the proposed works (04/06/2026 at 11:26am approximately).

The location is also within the Muswell Hill Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

T1 Holm Oak. Prune back the branches of this council tree, which is causing significant distress, as much as possible

Issues

I hold no objection to the reasonable proposed pruning works.

This will prune the tree back to the most recent previous points and allow the resident to practice their common law right.

Recommendation

No Objection
