Subject: 1 Oldfield Mews N6 5XA- Five day notice

Good morning James,

I hope all is well with you. I would like to make a five day notice to prune the Beech tree at the above address. My client is very concerned about the tree. The tree is growing right over Hornsey Lane and a bus stop.

Two weeks ago, the tree shed approximately five branches that fell on the road. Luckily, no one was injured.

The tree again shed some branches last week. I have attached photographs of the tree, some of the fallen branches and photographs of the tree and the specification. Please let me know if you need more information.

T1 - beech tree (22m)- reduce branches growing over road on far side of road by up to 3m to balance crown. Prune back from street lamp to create 2m clearance.

Best wishes, Jason
