

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4,
Alexandra House, Station
Road N22 7TY

Application number	HGY/2026/1513
Application type	Conservation Area Notification
Site Address:	10 Denewood Road, Hornsey, London, N6 4AJ
Proposal	T1 Beech – Reduce crown by approximately 1.5m to 2m overall in order to reshape and rebalance the canopy. The tree currently exhibits a somewhat misshapen and overextended crown form with encroachment over the adjacent pavement area. The proposed works are intended to improve overall crown symmetry and appearance whilst reducing excessive extension growth and maintaining suitable clearance from the public footway. The reduction will help retain the tree within a more appropriate and visually balanced form consistent with good arboricultural management. (Works to T2 Dead stem / probable historic Oak remnant will be considered separately under tree works application ref. HGY/2026/1512, as this tree is protected by a TPO)

RECOMMENDATION:	No Objection	
Application date	29/05/2026	
Tree Inspector	DM	Date: 22 nd June 2026

Site

The Beech tree T1, as marked on the plan, and seen in the photograph, is situated in the front garden of the property. It is publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Highgate Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

T1 Beech – Reduce crown by approximately 1.5m to 2m overall in order to reshape and rebalance the canopy.

The tree currently exhibits a somewhat misshapen and overextended crown form with encroachment over the adjacent pavement area. The proposed works are intended to improve overall crown symmetry and appearance whilst reducing excessive extension growth and maintaining suitable clearance from the public footway. The reduction will help retain the tree within a more appropriate and visually balanced form consistent with good arboricultural management.

(Works to T2 Dead stem / probable historic Oak remnant will be considered separately under tree works application ref. HGY/2026/1512, as this tree is protected by a TPO)

Issues

I hold no objections to the reasonable proposed pruning works.

The specification is within standard good arboricultural practice and husbandry.

Recommendation

No Objection
