A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Crouch End Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

Five Day Notice.

Issues

I hold no objections to the proposed works under a Five-Day Notice.

There is a duty to replace dead, dying and dangerous trees in a Conservation Area.
