DASHED LINE FOR CLARITY

FENCE

E-04

South Elevation

The drawings show design intent only. All dimensions to be checked on site prior to construction or production. Construction details to be confirmed by contractor/manufacturer by submitting shop drawings for design approval.

Design drawings are not to be scaled for production and construction purposes.

All discrepancies and omissions on site must be reported to designer for their comments or approval prior to commencing work.

All structural design by engineer or contractor. Architect's drawings for coordination and set-out only.

All electrical, lighting, HVAC, plumbing and ICT designs to be by engineer or contractor. Architects' drawings for coordination and set-out only.

Designs are subject to approval by the relevant authorities and any necessary alterations should be made if required to comply with statutory requirements.

All design concepts and drawings are the property of Collective Works LLP. No reproductions, adaptations and/or copies may be made without written consent.
