

Internal Refuse Storage

Refer to individual block ground floor plans - Block A, B, C, D, & E each have bin stores containing 2 1100L bins & a food waste (shown blue).

Block D also has a bulk refuse area internally (shown green)

External Refuse Storage

There are 5 bin store areas externally (shown red), each of the 5 bin store areas are comprised of 6 x 'metroSTOR PBMT |1100L Taylor Continental Bins'

2 of the bin store areas also have Bulk Refuse areas (shown orange).
