Dear Sir / Madam,

The National Grid (North London Reinforcement Project) Order 2014

Formal submission for Stage 4a, Requirement 13 Construction Environmental Management Plan (CEMP)

Enclosed with this letter is the formal submission for the discharge of Requirement 13 of the National Grid (North London Reinforcement Project) Order 2014 (the Order) for Stage 4a of the development. The document being discharged is the CEMP report for Requirement 13 alongside the contents of this letter.

Requirement 13 of the Order states:

"No stage of the authorised development shall commence until a construction environmental management plan for that stage specifying measures to be used to minimise the impacts of construction works, such as means of minimising pollution from dust, noise, vibration and lighting, wheel cleansing facilities, routes for construction traffic and working hours and reflecting the measures included in the environmental measures document has, after consultation with the Lee Valley Regional Park Authority where it refers to any land within the boundary of the Lee Valley Regional Park, been approved by the relevant planning authority."

The Lee Valley Regional Park Authority was consulted on the contents of this submission on 19 June 2026. They provided comments which were responded to. Therefore, consultation has been undertaken for this requirement.

It is expected that this requirement will be discharged by 7 August 2026. This period of time is in accordance with Section 1 (1), Schedule 3 (Discharge of Requirements) of the Order which states that the relevant authority must notify National Grid (as the undertaker) of any decision within a period of 28 days from the business day after the application is made.

National Grid will pay a fee of £400 as prescribed under section 303 and 333 (2A) of the Town and Country Planning Act 1990.

Should there be any queries about the submission, please do not hesitate to reach out.

Yours sincerely

Avigayil Fishburn
