

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4,
Alexandra House, Station
Road N22 7TY

Application number	HGY/2026/1906
Application type	Conservation Area Notification
Site Address:	Coolhurst Lawn Tennis And Squash Racquets Club, Courtside, Hornsey, London, N8 8EY
Proposal	<i>G1 (18m): Group of Ash and Sycamore: Reduce height by up to 6m as shown with red line and remove one heavily leaning stem of ash towards neighbouring property as shown with red arrow to reduce the risk of failure and as part of regular maintenance. G2 (18m): Mixed species including Ash and Sycamore: Reduce back from courts by up to 3m to boundary to reduce the risk of failure and as part of regular maintenance and remove one sycamore with extensive die back</i>

RECOMMENDATION:	No Objection	
Application date	07/07/2026	
Tree Inspector	DM	Date: 28 th July 2026

Site

The various trees as listed above, marked on the plan and seen in the photographs, are situated in the grounds of the property. They are not publicly visible.

A site visit was deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Crouch End Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

G1 (18m): Group of Ash and Sycamore: Reduce height by up to 6m as shown with red line and remove one heavily leaning stem of ash towards neighbouring property as shown with red arrow to reduce the risk of failure and as part of regular maintenance.

G2 (18m): Mixed species including Ash and Sycamore: Reduce back from courts by up to 3m to boundary to reduce the risk of failure and as part of regular maintenance and remove one sycamore with extensive die back

Issues

I hold no objections to the reasonable proposed pruning the works.

The G1 group have grown past the exclusion stage and are now leggy trees upon the embankment.

The specification for G2 is within standard good arboricultural practice and husbandry.

Recommendation

No Objection
