

Existing garden wall - NO CONSTRUCTION TO TAKE PLACE WITHIN ROOT PROTECTION AREA

Coping stones - Once weathered

New Walls - All to be faced with London Stock bricks

Conservation Rooflights - Double glazed units with glazing bars to match traditional Victorian design, fitted flush with the roof (see page AXX for example product).

Pitched Roof - Artificial slate tiles to match surrounding properties

French Doors - Crittal style, high efficiency with aluminium frames (see page AXX for example installation)

Existing fence - To be reinstated

Sash Windows - Conservation sash windows of the same slimline UPVC system already installed in the rest of the property
