THE HARINGEY TREE PRESERVATION ORDER NO. 3, 1967

The Mayor, Aldermen and Burgesses of the London Borough of Haringey (in this Order called "the authority") in pursuance of the powers conferred in that behalf by Section 29 of the Town and Country Planning Act, 1962, and subject to the provisions of Section 15 of the Forestry Act, 1967, hereby make the following Order:-

NOTE:- If it is desired to fell any of the trees included in this Order whether included as trees, groups of trees, or woodlands and the trees are trees for the felling of which a licence is required under the Forestry Act, 1967, application must be made not to the authority for consent under this Order but to the Forestry Commissioners for a licence under that Act (see Forestry Act, 1967, section 15(5)).

Order No. 3, 1967 and signed by the Acting Town Clerk of the Authority and deposited for inspection at The Hornsey Town Hall, The Broadway, Crouch End, N.8. and a certified copy of which has been similarly deposited at The Civic Centre, Wood Green, N.22. which map shall, for the purpose of such definition as aforesaid, prevail where any ambiguity arises between it and the specification in the said First Schedule.

3. An application for consent made to the authority under article 2 of this Order shall be in writing stating the reasons for making the application, and shall by reference if necessary to a plan specify the trees to which the application relates, and the operations for the carrying out of which consent is required.
4. (1) Where an application for consent is made to the authority under this Order, the authority may grant such consent either unconditionally, or subject to such conditions (including conditions requiring the replacement of any tree by one or more trees on the site or in the immediate vicinity thereof), as the authority may think fit, or may refuse consent.

Provided that where the application relates to any woodland specified in the First Schedule to this Order the authority shall grant consent so far as accords with the principles of good forestry, except where, in the opinion of the authority, it is necessary in the interests of amenity to maintain the special character of the woodland or the woodland character of the area, and shall not impose conditions on such consent requiring replacement or replanting.

(2) The authority shall keep a register of all applications for consent under this Order containing information as to the nature of the application, the decision of the authority thereon, any compensation awarded in consequence of such decision and any directions as to replanting of woodlands; and every such register shall be available for inspection by the public at all reasonable hours.

5. Where the authority refuse consent under this Order or grant such consent subject to conditions they may when refusing or granting consent certify in respect of any trees for which they are so refusing or granting consent that they are satisfied:-

- (a) that the refusal or condition is in the interests of good forestry; or
 - (b) in the case of trees other than trees comprised in woodlands, that the trees have an outstanding or special amenity value.
6. (1) Where consent is granted under this Order to fell any part of a woodland then unless:-
 - (a) such consent is granted for the purpose of enabling development to be carried out in accordance with a permission to develop land under Part III of the Act, or
 - (b) the authority with the approval of the Minister dispense with replanting.

the authority shall give to the owner of the land on which that part of the woodland is situated a direction in writing specifying the manner in which and the time within which he shall replant such land and where such a direction is given and the part is felled the owner shall subject to the provisions of this Order replant the said land in accordance with the direction.

(2) Any direction given under paragraph (1) of this Article may include requirements as to:-

- (a) species;
 - (b) number of trees per acre;
 - (c) the erection and maintenance of fencing necessary for protection of the replanting;
 - (d) the preparation of ground, draining, removal of brushwood, lop and top; and
 - (e) protective measures against fire.
7. The provisions set out in the Third Schedule to this Order, being provisions of Part III of the Act adapted and modified for the purposes of this Order, shall apply in relation thereto.
 8. Subject to the provisions of this Order, any person who has suffered loss or damage in consequence of any refusal of consent under this Order or

of any grant of any such consent subject to conditions, shall, if he makes a claim on the authority within the time and in the manner prescribed by this Order, be entitled to recover from the authority compensation in respect of such loss or damage.

Provided that no compensation shall be payable in respect of loss or damage suffered by reason of such refusal or grant of consent in the case of any trees the subject of a certificate in accordance with Article 5 of this Order.

9. In assessing compensation payable under the last preceding Article, account shall be taken of:-

- (a) any compensation or contribution which has been paid whether to the claimant, or any other person in respect of the same trees under the terms of this or any other Tree Preservation Order under Section 29 of the Act or under the terms of any Interim Preservation Order made under Section 8 of the Town and Country Planning (Interim Development) Act, 1943, or any compensation which has been paid or which could have been claimed under any provision relating to the preservation of trees or protection of woodlands contained in an operative scheme under the Town and Country Planning Act, 1932, and
- (b) any injurious affection to any land of the owner which would result from the felling of the trees the subject of the claim.

10. (1) A claim for compensation under this Order shall be in writing and shall be made by serving it on the authority such service to be effected by delivering the claim at the offices of the authority addressed to the Town Clerk thereof or by sending it by prepaid post so addressed.

(2) The time within which any such claim shall be made as aforesaid shall be a period of twelve months from the date of the decision of the authority, or of the Minister, as the case may be, or where an appeal has been made to the Minister against the decision of the authority, from the date of the decision of the Minister on the appeal.

11. Any question of disputed compensation shall be determined in accordance with the provisions of Section 128 of the Act.

12. Any person contravening the provisions of this Order is guilty of an offence under subsection (1) of Section 62 of the Act and liable on summary conviction to a fine not exceeding fifty pounds; and if in the case of a continuing offence the contravention is continued after conviction he is guilty of a further offence thereunder and liable on summary conviction to an additional fine not exceeding forty shillings for every day on which the contravention is so continued.
