14th August 2026

Dear Sir or Madam

Non-Material Amendment to Planning Permission HGY/2025/2311 for ' Change of use of an existing dwellinghouse (Use Class C3) to an overnight short break respite centre for up to three children aged 7-17 (Use Class C2), change of window at rear to door, installation of disabled access ramp to rear, addition of small air vents to front and rear elevations. (Revised description)'

This covering letter accompanies an application for a non-material amendment pursuant to planning permission HGY/2025/2311 dated 14/11/2025.

Under Section 96A of the Town and Country Planning Act 1990, local planning authorities have the power to allow changes to any planning permission provided they are satisfied that the change is not material. The proposed change is to allow up to three children aged 8-18 years in order to allow registration with Ofsted.

Advice was sought from the Case Officer Oskar Gregersen that this was the appropriate submission.

We look forward to receiving confirmation that the application has been validated. However, should you require any further information, please do not hesitate to contact me.

Yours faithfully

C Peel
