Site

The Eucalyptus tree T1, as marked on the plan, is situated in the rear garden of the property. It is not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

T1: Eucalyptus tree at 83 Fortis Green

The eucalyptus tree is leaning towards the adjoining property at No. 32 Western Road. Approval is sought to lift the lower limb and reduce it back to the boundary fence line only to provide adequate clearance from the neighbouring property.

The proposed works are limited to the lower limb extending towards No. 32 Western Road and are intended to improve clearance while retaining the overall form and health of the tree. No additional pruning beyond the boundary fence line reduction is proposed

Issues

I hold no objections to the reasonable, minor, and sensitive proposed pruning works.

The specification is within standard arboricultural practice and husbandry.

Recommendation

No Objection
