Proposal	<i>Rear garden: Yew T1 (6M high, 250mm dia.) - Propose reducing the height to 4 meters and drawing in the sides all around by 1 meter. Future maintenance would then consist of annual trimming to maintain a formal shape. (Proposal description amended 22.09.2026)</i>

RECOMMENDATION:	No Objection	
Application date	20/07/2026	
Tree Inspector	DM	Date: 22 nd September 2026

Site

The Yew tree T1, as described above and marked on the plan, is situated in the rear garden of the property. It is not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Highgate Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

Rear garden:

Yew T1 (6M high, 250mm dia.) - Propose reducing the height to 4 meters and drawing in the sides all around by 1 meter. Future maintenance would then consist of annual trimming to maintain a formal shape.

(Proposal description amended 22.09.2026)

Issues

I hold no objections to the pruning works for the Yew T1.

The specification is within standard good arboricultural practice and husbandry.

The species generally responds well from such reductions and management regimes.

Recommendation

No Objection
