Site

The listed trees, as above, marked on the sketch plan, and seen in the photographs are situated in the rear garden of the property. They are not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Stroud Green Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Issues

I hold no objections to the proposed reasonable works.
