## **Site**

The Cypress spp. tree T1, as seen in the photographs and marked on the sketch plan, is situated in the rear grounds of the property. It is not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Highgate Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

## **Proposal**

Tree works proposed.

*T1 - Cypress tree (12m) - reduce height by approximately 6m, leaving climbing rose in lower half of tree*

## **Issues**

I hold no objections to the proposed works.

The applicant has confirmed the works are to allow more light into the premises.

The tree is not worthy of further protection.

## **Recommendation**

**No Objection**
