Site

The Lime tree T1, as marked on the plan, and seen in the photograph, is situated in the front garden of the property. It is publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Highgate Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed.

T1 Lime reduce back to previous points approximately 2M - Tree is within close proximity of the property casting shade to owner and neighbouring living space

Issues

I hold no objections to the repeat reasonable proposed pruning works to prune back to the most recent previous points.

The specification is within standard good arboricultural practice and husbandry.

The species generally responds well to such management regimes.

Recommendation

No Objection
