### **Site**

The tree as marked on the map and seen in the photographs is situated in the rear garden of the property. It is not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Highgate Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

### **Proposal**

Tree works proposed.

T6 - work to a non-TPO Sycamore. Increase crown height by 1-1.5m. Changes indicated on photo of tree

### **Issues**

I hold no objections to the reasonable minimal amount of proposed tree works to remove lower branches (applicant has confirmed).

### **Recommendation**

**No Objection**
