SECURITY SYSTEMS LIMITED

SECURITY SOLUTON PROPOSAL
Customer ref:

Dear Mr Chris Hall,

Following your recent enquiry, we have pleasure in quoting for the supply, installation, commissioning and certification of a CCTV system, this quotation has been based on the attached drawing.

This system will be installed, in compliance with the following standards -

NCP104 NSI Codes of practice. Upon completion, a Certificate of Compliance will be issued.

A full specification will be provided on acceptance of this quotation.

If you have any queries, or would like to discuss the proposal in further detail, please do not hesitate to contact us.

Assuring you of our best attention at all times.

Yours sincerely,
for M J SECURITY SYSTEMS LIMITED

Jimmy Neal

SECURITY SOLUTON PROPOSAL
Customer ref:

New Security Solution

NB:

- All exposed camera cabling shall be installed within **metal conduit or metal Copex** from each camera location back to the NVR. The conduit and first-fix installation are to be provided by **A.E.C**.
- This quotation does **not** include any working at height access equipment (e.g. MEWP, scaffold tower or scaffolding). Should specialist access be required, this will be quoted as an additional cost.
- It is assumed that suitable containment routes and cable entry points will be provided by **A.E.C** prior to our attendance.

The CCTV system will be installed in compliance with the following standards:-

NCP104

A full specification will be supplied on acceptance of the below quotation
