Site photographs and signed statement

Application reference: HGY/2026/2459

Site address: 144 Crouch Hill, London N8 9DX

I confirm that the four photographs in this document were taken on 18 September 2026, within 21 days of the submission of this application, and that they accurately show the site and the adjoining properties as they currently are.

Photographs included:

1. Front elevation of 144 Crouch Hill, including the adjoining properties either side (146 to the left, 142 to the right)
2. Rear elevation, zoomed out to show the whole property
3. Rear elevation in context with the adjoining property on the left (as viewed from the rear)
4. Rear elevation in context with the adjoining property on the right (as viewed from the rear)

Signed: 

Name: Duane Brewster
