- Existing property walls
- Proposed property walls

General Note

Existing information is based on the measured survey prepared by subconsultant. Concealed construction and areas outside the survey scope have not been verified. Any discrepancies are to be reported to the architect before further design or construction.

Planning Note

This drawing is prepared for planning purposes only and is not to be used for construction. Do not scale from this drawing. All dimensions, levels and existing conditions are to be verified on site before technical design and construction. Read alongside the accompanying application drawings and documents.

DRAWING NOTES

01 Proposed uPVC double glazed sash windows replacing existing timber frame. To match existing character, achieving 1.4 U-Value compliance and SBD certificate

02 uPVC door and windows to replace existing windows for balcony access. To match existing character achieving SBD certificate and u-value performance compliance

03 Proposed flat bar balustrade 1100mm high to new balcony. Existing wall to 15 Muswell to act as privacy screening between prpoerty

04 Existing SVP to rear elevation to be extended to accommodate internal sink position

05 Proposed dormer, to front elevation. Zinc external finish to match existing slate colour. Windows to match character of existing sash windows

06 Proposed external door access for maintenance only to store/boiler. Door to be solid with minimal impact on the main rear elevation
