Dear Sirs,

Planning Application HGY/2026/2666

My comments on the above application are as follows:

1. I comment only on the proposed shed. I note the application is only by the owner of No 2 Herons Lea. However the shed will be on common land and surely all the owners should apply?
2. The proposed shed will affect our view and presumably narrow the path to the rubbish bins.
3. In the event planning permission is granted please ensure it is on condition that the shed is removed once the owner of no. 2 ceases living there.
4. We hope the planning permission (with these safeguards) can proceed so that the owner has more mobility.

Yours faithfully

Pamela Spiegor
