Site

The various trees as listed above, and marked on the plan, are situated in the grounds of the public estate. They are publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Alexandra Park Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Issues

I hold no objections to the reasonable proposed works that have arisen from a condition survey.

The specification is within standard good arboricultural practice and husbandry.

Recommendation

No Objection
